Italian C.M.E. Credits
The Course has been accredited by the Italian Continuing Medical Education for 50 credits.

C.M.E. Provider
Samnium Medica Soc. Coop.

Dear friends,
after decades of experience in “Full Immersion” courses, two years ago, we decided to change the arrangement of these courses, in order to give a more schematic and perhaps more effective teaching value. The course provides a morning session of live surgery and an afternoon session that will delve into the technical aspects of laparoscopic surgery. The special feature of this weekly course, which is only aimed to the Italian Surgeons, consists of having both the treatment of a particular daily chapter of abdominal pathology and the participation of prominent foreign Special Guests. Their presence and contribution will enrich the discussion, with their unique experience, allowing you to obtain prompt and comprehensive answers to your questions.

Francesco Corcione
Honorary President

J. Marescaux
President

Monday, October 10:
“Side Surgery”: spleen, kidney, adrenal
Lecture:
How imagination should give wings to our thoughts
J. Marescaux
Strasbourg - France

Tuesday, October 11:
